

A legacy of integrity.

Royal® Building Products' Exterior Portfolio® brand continues to design innovations that make confident and creative statements. Recognized as the category leader, Exterior Portfolio is synonymous not just with state-of-the-art products like Architectural Essentials™ trim and accessories—but with cutting-edge tools like the Dream Designer® online visualizer, too.

For inspiring tools, design ideas and information about more products, visit ExteriorPortfolio.com.

Consult the VSI website at www.vinylsiding.org for a list of certified products and colors.

*The full expression of home.
And you.*

*Make your statements
personal and complementary.*

The shapes, textures and colors that surround you are all yours. They should reflect your view of the world, in which every shift in mood signifies a developing taste and an evolving perspective. So the place you find yourself and reveal your character is the same.
